Enclosed is my annual December catalog of fine historical Americana at fixed prices. My apologies to those clients who had been expecting a small catalog in October. My mother died suddenly at the end of August, and arrangements concerning her estate have taken a lot of my time.

The items listed are offered at the prices quoted on a first-come, first-served basis. There is a lot of superb material, and a wide range of items to suit all tastes and pocketbooks. I would suggest that orders be placed by phone, since the catalog is going out to over 3000 interested buyers. Phone orders may be placed anytime 24 hours a day. If my machine answers, please give your name, telephone number and the numbers or descriptions of items you wish to purchase. I will return your call and confirm your order as soon as possible.

I take great pride in offering one of the finest catalogs in the country. The variety and quality of the items for sale induces many first time customers to take part in my sales, even though they may not have done much buying by mail in the past. My reputation for integrity and fair dealings is known nationwide. I look forward to including you on my list of satisfied clients.

Unless otherwise described, items are in excellent condition. A few photos may look very dark or light -- see the descriptions for accurate details. Excellent color glossies are available for any item. Please feel free to call for additional information.

Terms are cash or check upon confirmation of order. Budget payments of three monthly installments are allowed - please request this at time of order. Items will be shipped upon receipt of payment, with shipping charges to be quoted when orders are placed. All items are guaranteed genuine and as described. Any item may be returned for a prompt refund if not as described.

CATALOG SUBSCRIPTIONS ONLY $10 FOR 4 ISSUES, INCLUDING FIXED PRICE SALES AND MAIL AUCTIONS. ALL MY CATALOGS FEATURE MATERIAL SIMILAR TO THIS SALE.

Relief white bust on chocolate brown oval, surrounded by relief vines, leaves, arches on pale yellow background. Signature lower edge "Bauer Keller & Cie Brevetes a Paris". I would guess it's circa 1830-50, but the French could have been doing this type of embossing much earlier - it was utilized in America in that period. Superb.	400.00

Hayes of course was from Fremont, and he commanded the 23rd Ohio in the early days of the Civil War, before being given divisional command and rising to the rank of Major General. He attended this reunion while President, and apparently gave this to someone with instructions to return to his wife.	600.00

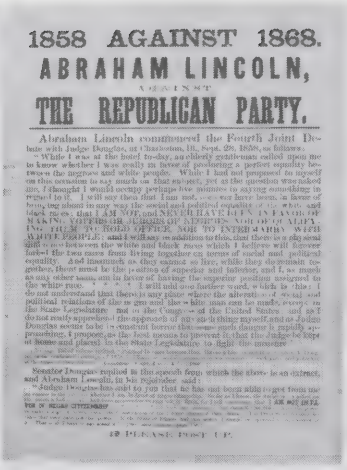
106 VERY RARE 1912 POSTER



1858 AGAINST 1868.
ABRAHAM LINCOLN,
AGAINST
THE REPUBLICAN PARTY.
Abraham Lincoln commenced the Fourth Joint Debate with Judge Douglas, at Charleston, Ill., Sept. 28, 1858, as follows:
"While I was at the hotel to-day, an elderly gentleman called upon me to know whether I was really in favor of producing a perfect equality between the negroes and white people. While I had not proposed to myself on this occasion to say much on that subject, yet as the question was asked me, I thought I would occupy perhaps five minutes in saying something in reply to it. I will say then that I am not, and never have been, in favor of bringing about in any way the social and political equality of the white and black races, that I AM NOT, and NEVER HAVE BEEN IN FAVOR OF MAKING VOTERS OR JURORS OF NEGROES, NOR OF QUALIFYING THEM TO HOLD OFFICE, NOR TO INTERMARRY WITH WHITE PEOPLE; and I will say in addition to this, that there is a physical difference between the white and black races which I believe will forever forbid the two races from living together on terms of social and political equality. And inasmuch as they cannot so live, while they do remain together there must be the position of superior and inferior, and I as much as any other man am in favor of having the superior position assigned to the white race. * * * * I will add one further word, which is this: I do not understand that there is any place where the alternative of social and political relations of the two races has been made familiar to men, except in the State Legislature. But in the Congress of the United States, and as I do not really apprehend the approach of any such thing myself, and as Judge Douglas seems to be in constant horror that some such danger is rapidly approaching, I propose, as the best means to prevent it, that the Judge be kept at home and placed in the State Legislature to fight the measure.
Senator Douglas replied in his speech from which the above is an extract, and Abraham Lincoln, in his rejoinder said:
"Judge Douglas has said to you that he has once been able to get from me an answer to the following interrogatories, and that now he thinks I ought to answer them. I do not object. I AM NOT IN A
